MICE industry is celebrated as the “golden industry without limits” of the 4th Industrial Revolution Era. With the growth of the MICE industry, MICE venues are increasing in variety. Nowadays, corporations and institutions, which preferred large scale convention centers in the past, seek special places & experiences. Therefore, interest in “UNIQUE VENUE” showcasing traditional local cultures and characteristics is steadily rising.

Korea Tourism Organization regularly selects and promotes KOREA UNIQUE VENUE, places with a distinct Korean charm and local characteristics. After various studies and evaluations for suitability of purpose, scale, and size of the events & meetings, we have now selected 39 KOREA UNIQUE VENUE.

The 39 KOREA UNIQUE VENUE, with various regional characteristics and colorful themes, will add interesting sparks to your events and provide visitors with experiences and memories beyond expectations. Have memorable meetings in our 39 KOREA UNIQUE VENUE and experience Korea's unique attractiveness.

What is KOREA UNIQUE VENUE?

Korea Furniture Museum is a museum where traditional Korean wooden furniture made in the late Joseon Dynasty era are exhibited. At the same time, it is a space which shows Korea’s Everyday living culture of traditional Korean houses. With its Hanok (traditional Korean house) space, where distinct Korean characteristics are clearly visible, Korea Furniture Museum is a great place to have classy events. Also, various luncheon parties, dinner parties, receptions and special performances can be held at Korea Furniture Museum.

Floating Island Convention is a floating convention facility located on Some Sevit, an artificial island. Since it has 7 large ball rooms, various events such as international conventions, business functions and cultural events can be held.

Eland Cruise has 5 cruise ships and offers various programs on board in accordance with cruise course and cruise schedule. For special MICE events, one whole cruise ship can be rented for reception parties or dinner receptions. Visitors can enjoy live performances and meals while appreciating the scenic Han River view and Seoul's night scenery.

Korea House is a Traditional Culture Complex, where visitors can enjoy traditional hanok, royal cuisine, royal tea and sweets, traditional performance, and traditional wedding ceremony in just one place. With main and annex buildings where visitors can appreciate architectural characteristics of Hanok (traditional Korean house) together with Chwiseongwan, a building equipped with modern conveniences, various events and functions can be held at Korea House.
The Bay 101 is a marine sport-based cultural art complex, which represents Busan’s marine culture. With its various spaces, such as Yacht Club, a specialty Korean restaurant, a café, and a lifestyle shop, The Bay 101 is a great place to have international conferences, meetings, exhibitions, events, and banquets.

Nurimaru APEC House was built for the 13th APEC Leaders’ Meeting, which was held in 2005. Currently utilized as an international convention center, it is a great piece of architecture where tradition, modernity and nature’s beauty coexist harmoniously. With its top-of-the-line equipment and facilities, Nurimaru APEC House is the best place to hold international conferences, international academic seminars, banquets, outdoor exhibitions, and performances.

Busan Cinema Center is a complex cinematic cultural space in Busan. It consists of 3 major buildings and is a place for various international events, movie screening events, performances, and exhibitions. Since BEFT Theater, the Center’s main outdoor theater can support 6,000 visitors, it’s a great space for hosting big events.

MUSEUM 1 is a Modern Art Museum for Immersive Media Art located in Centum City, Haeundae, Busan. MUSEUM 1 is currently working on exhibits in collaboration with famous contemporary artists, and visitors can enjoy various contemporary artworks such as paintings, sculptures, ceramics, and photographs. MUSEUM 1’s Main Hall boasts 80 million Ultra HD LED light sources, and hence offers a great space for unique and distinct events. It is an attractive space for various activities such as corporate functions, various group meetings, product launching parties, and networking parties.
